

2019 TRADE SCHOLARSHIP PROGRAM

The World Floor Covering Association (WFCA) offers its *Sustaining, Leader, and Advocate* member organizations a scholarship program designed to help their businesses and the floor covering industry grow and prosper through education and training. WFCA *Sustaining* member organizations are eligible to participate for **WFCA/CFI training only**. WFCA *Leader and Advocate* member organizations are eligible to participate for **any approved industry training**. Associate member organizations are not eligible. Trade Scholarship Awards are limited to owners and full-time employees of the eligible WFCA member organizations which are in good standing with the association at the time of the course or program. Scholarship awards are intended to help defer participant registration fees; **personal and/or travel expenses are not eligible for reimbursement**.

Programs offered by the WFCA will qualify for 100% of course tuition/registration fees paid up to the allowable maximum, including WFCA online training. Approved programs outside of the WFCA will qualify for up to 50% of course tuition/registration fees paid up to the allowable maximum. (Trade Scholarships will be paid based on the lowest published registration rate.) Approved online training not sponsored by WFCA will qualify for 100% reimbursement up to the allowable maximum amount of \$100 per year.

This is a line budgeted WFCA Membership Benefit Program that terminates when funds are depleted. Funds are allocated quarterly to ensure availability throughout the year.

GUIDELINES

1. Trade scholarship applications **must include all** of the following:
 - A **completed and signed application form**. Please fill in all sections.
 - A **brochure or announcement** of the training event, describing the program, dates, and cost.
2. **Important:** We ask that application materials be submitted for review and approval **at least 30 days prior to the first day of the training event**. Applications for online training may be submitted at the time of registration; 30 day notice is not required.
3. Scholarships must be used for training programs approved by the WFCA, and must be used exclusively for training *directly related* to the enhancement of the member's business.
4. It is each member's responsibility to individually submit a signed trade scholarship application, and to register for the training program (group applications are not accepted).

7. Each *Sustaining* member organization is eligible to apply for a cumulative total of \$500 from January 1 through December 31, 2019 for WFCA/CFI training only. Up to \$500 **may** be used for approved online WFCA/CFI training programs. The World Floor Covering Association (WFCA) may, in its discretion, change the Trade Scholarship program rules, regulations and awards at any time, with or without notice. This means membership in the association does not entitle program participants to any vested rights with respect to credits, awards or program benefits. Members may not rely on the continued availability of any award. Any award may be withdrawn or subject to increased requirements or new restrictions at any time. WFCA may, among other things, (1) withdraw, limit, modify or cancel any award; (2) change program benefits, conditions of participation, rules for earning, retaining or forfeiting awards; (3) otherwise restrict the continued availability of awards or special offers; or (4) limit the maximum amount of funds that any one provider or program may use. WFCA may make any one or more of the changes at any time even though such changes may affect your ability to earn an award. The WFCA reserves the right to end the Trade Scholarship program with or without notice.
