ABOUT WFCA

The World Floor Covering Association (WFCA), the official sponsor of The International Surface Event (TISE), is the floor covering industry's largest advocacy organization, representing floor covering retailers, contractors and allied service providers throughout North America. The WFCA is a recognized leader in marketing research and industry programs for flooring professionals. In addition, WFCA publishes the only retailer-oriented trade periodical, *Premier Flooring Retailer*. As part of its mission to enhance the business environment for the independent flooring retailer the WFCA acquired the Certified Floorcovering Installers Association (CFI) in an effort to resolve the industry's largest issue – the shortage of qualified installers. The WFCA oversees the Floor Covering Business to Business (fcB2B) program, helping companies in the industry transition to an e-commerce platform for all business

transactions. The WFCA also influences public policy affecting the floor covering industry and consumers. For more information about the WFCA, visit WFCA.org.
