World Floor Covering Association Receives Coveted National Award for Consumer Awareness Campaign Fourth Year in a Row

WFCA Garners Press Attention Across the Country Through Their Innovative Program

Anaheim, CA – July 13, 2010 – Marking four consecutive years, the World Floor Covering Association (WFCA) announced today that they have again received the distinguished Golden Thinker Award from North American Precis Syndicate, Inc. (NAPS.) The esteemed honor is given to select individuals and/or companies whose featured press releases have received extremely high pick-up and use by America's newspaper editors.

The WFCA was hand-selected for this award from an extraordinary group that included nearly all of the Fortune 500 companies, most of the 100 largest advertisers across the U.S., the 20 largest PR firms in the country, over 100 associations and numerous government agencies. According to executives at NAPS, the number of press hits generated by the WFCA has been "beyond measure."

On average, NAPS release stories receive 100-400 placements, with 400 being a rarity. The WFCA's release, entitled “Hints for the Home,” has brought in thousands of press placements to date. The consumer story, crafted by WFCA's PR firm, Story Dept., depicted helpful information and tips for maintaining and caring for your floors. The resulting media placements from the WFCA release placed it in the top one-quarter of one percent of all releases distributed to the media through NAPS.
