Anaheim, CA — January 14, 2014 - The World Floor Covering Association (WFCA) today announced that they have been awarded the distinguished Golden Thinker Award from North American Precis Syndicate, Inc. (NAPS) for the success of their consumer public relations program. The award recognizes exceptional editorial placement and is presented only to a fractional number of companies – one quarter of 1% to be exact - across the country each year.

According to sources at NAPS, the WFCA program received extraordinarily high placement volume with 2,880 placements — at last count — from press outlets in the top 50+ markets. It was also noted that coverage was secured in multiple outlets in every state across the country. Typical releases generate 100 or so placements while over 400 is considered a tremendous feat. The WFCA’s winning stories, developed by their public relations agency-of-record, Story Dept., overtook serious competition for the coveted award beating the majority of Fortune 500 companies, nearly all of the largest 100 national advertisers, all of the 20 largest PR firms, and over 100 other associations and government agencies.
