Mount Vernon Carpet One Floor & Home Outshines Competition for Gold Standard Award

World Floor Covering Association Awards Washington-based Retailer National Honors

February 7, 2012 - Anaheim, CA – D. Christopher Davis, President and Chief Executive Officer of the World Floor Covering Association (WFCA) recently announced the annual winner of the Gold Standard Award for excellence in retailing. Mount Vernon Carpet One Floor & Home, an independently-owned shop in Mount Vernon, WA, took home the honor, which included a $5,000.00 check, press recognition, a trophy, acknowledgement on the WFCA website and a customized WFCA seal for their store entrance. The award was presented in-person by representatives of the WFCA at the store.

“There were a number of stand-out components of Mount Vernon Carpet One's entry,” said Davis. “Most notably, their new business is comprised of 75% existing customer referrals which speaks volumes on their customer service and retention program. I noted in their submission that their #1 asset as a company is their ‘customer base.’ They view the business through the eyes of the customer and keep their focus not on product or sales but on ‘people.’ This retailer has also set up some stand out marketing programs for their customers including in-home consultations with designers, customized flooring décor packages and ladies night out events that include wine and massages.”
In response to receiving the award, Debbie Monetti, Co-Owner, Mount Vernon Carpet One stated, “We work very hard everyday in our efforts to consistently create an outstanding customer experience. Taking advantage of the diverse educational programs, scholarships and the relevant research and resources provided by the WFCA has been and continues to be a critical component in our efforts. When we ran our final numbers in 2011, the average close rate for our design consultants was up 28% and there is no doubt in my mind that WFCA and Carpet One’s programs had a lot to do with it.” Monetti continued, “Winning the Gold Standard Award was a powerful validation and a great honor for our team. It gives us added encouragement to continue to creatively and consistently raise the bar.”

To receive the Gold Standard Award, companies are reviewed and judged based on:

- Customer Service – providing courteous service and offering customers help throughout the purchase and after-purchase process;
- Quality of Store Image – a clean, professional, well maintained store must be presented at all times;
- Code of Conduct — the facility must adhere to the WFCA Code of Conduct.

In addition, companies must also be a member of the WFCA, have been in business for at least 3 years and have a clean Better Business Bureau report.
