

Luminary Award Application

To Our Valued Members:

The WFCFA Luminary Award is inspired by the definition of “luminary” as a person who inspires or influences others. The purpose of the Luminary Award is to honor extraordinary and inspirational actions of people for their mentorship, leadership, and contributions advancing the floor covering industry. The WFCFA Luminary Award is selected not on an annual basis, but rather in recognition of an individual whose contributions are deserving of this exceptional honor.

Nominating individuals for this prestigious recognition is an ongoing process. In the following pages, you will find all of the information necessary for you to submit your nominee, as well as the judging criteria. Nominee must have made an extraordinary contribution that has been a driving force of positive change and has had a significant, profound, and lasting impact on the floor covering community.

Award Criteria

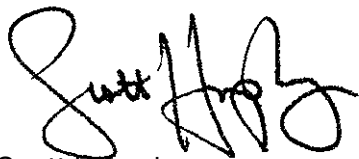

Nominations for the Luminary Award may be made for any person associated with the floor covering industry and demonstrate:

1. Visionary Leader
